

Easter Bears God's Message

By Carl Jech

Does Easter have meaning only for the future? Alexander King asks: "Is there a life after birth?" Is there a life after death? Did a dead man really walk out of a grave once upon a time?

Let us take a look at three prominent interpretations of the meaning of Easter (resurrection):

(1) The Easter message is evidence of the true significance of Jesus the Christ.

(2) The Easter message shows us that the grave is not the ultimate destiny of a man — "Because I live, ye shall live also." "... this corruptible shall put on incorruptible ..."

(3) The Easter message of new life shows us that this earthly life is an aspect of eternity and that salvation begins when, in this life, we live in the realization that the Kingdom of God HAS come.

All of these interpretations have something to say to us. It is hard to see how any respectable scientist could claim to be able to disprove them. Note that none of them are exclusivistic.

The Christian witness has consistently been that belief in eternal life is a part of belief in God.

Man is meant to live in an ongoing

relationship to God. Yet even the Bible, although it does use some inadequate figurative language, admits "Lo, I tell you a mystery" when it comes to the subject of resurrection.

To dismiss the message of the Bible at this point as being worthless speculation and to label the acceptance of the message as a blind leap of faith is, in itself, a leap of faith. As you contemplate life and its possible meaning, seriously compare the "come unto me" of this skeptical point of view with the "come unto Me" of Jesus.

Something as ultimately important as the Christian's faith in God and eternal life is bound to be of great significance for his daily outlook and actions. The Biblical phrase "we are co-workers together with God" begins to take on new and dynamic meaning.

It is not wise to look at the Easter message in terms of the inadequate and oversimplified heaven-hell dualism. A simple heaven-hell orientation is surely not in keeping with the profound significance of "a God who suffers."

When one looks at the above three interpretations he is called to ask himself: What do they mean to me in terms of my past, present and future? Has God spoken?

Archeologist Speaks Tues.

Dr. Charles T. Fritsch, professor of Old Testament at Princeton Theological Seminary, will be featured at Tuesday's convocation.

Dr. Fritsch, who received his Ph.D. from Princeton U. in 1940 and has been a faculty member of the Princeton Theological Seminary since 1947, will speak on "Underwater Archeology in Israel."

THE ILLUSTRATED lecture will be given from his experience as chief field archeologist with the Link Underwater Expedition to Israel in 1960.

Dr. Fritsch, who has written several books, will also give an illustrated lecture in the

Chapel-auditorium at 7:30 p.m., Tuesday on "Archeology and the Bible."

Among the books he has written are "Anti-Anthropomorphism in the Greek Pentateuch" and "The Qumran Community, Its History and Scrolls."

DEAN A. KILGUST, formerly a Wartburg faculty member and now pastor of Grace Lutheran Church, Green Bay, Wis., will be Thursday's convocation speaker.

A member of the Board of Regents, Pastor Kilgust will speak on the topic "The Lady and the Thief." The convo is to be informal worship in nature.

FEELS GAINS MADE

Buchsteiner Views Year's Activities

By Elaine Melchert

"There have been a few times during the past year that I wondered why I ever got myself into this, but on the whole I really enjoyed the experience and gained a great deal from it," commented Dick Buchsteiner, student body president.

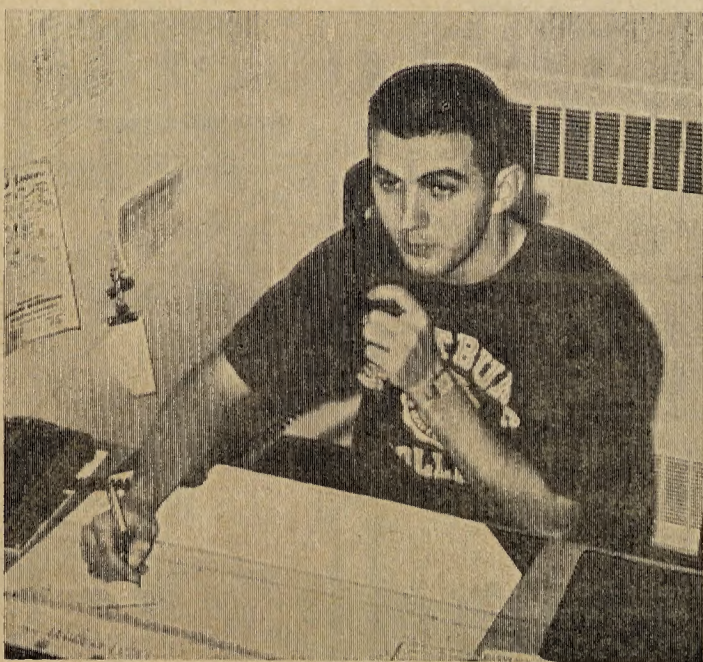

Buchsteiner, a social work major from Reedsburg, Wis., will conclude his year's duties as student body president when he turns his gavel over to his successor Nelson Meyer in May.

NOW THAT ALL is said and done, Dick can look back on the year with satisfaction. Accomplishments are varied and point out the fact that student government at Wartburg did have a function this year.

First on the list of accomplishments of the Senate, with Buchsteiner at its head, was the passage of the proposed hour changes for women.

"This was the thing I wanted to accomplish the most and it involved a lot of work, but I'm really pleased that it passed. I think this was a good example of what student government can do on our campus," commented Buchsteiner.

OTHER ACHIEVEMENTS include constitution changes, re-activation of the Faculty-Student Council after a lapse of two years, "College Clippings" and participation in the College Quiz Bowl Program.

COMMUNICATION PLAYS an important part in the functioning of student government, as shown by Student Body President Dick Buchsteiner making one of his numerous telephone calls. He will round out his year's work next month when he turns his position over to Nelson Meyer.

Dick served as editor of "College Clippings," which involved selecting material from newspapers of the ALC colleges and sending them to the Youth Department to be printed.

The usual problem of every Wartburg student body was no exception for Dick. This involved getting students in-

Plans for this year's Student Body Carnival, in support of the Student Body Project, are finally being unified into one major theme called "Caribbean Holiday."

Attire for the "Caribbean Holiday" will be casual wear, including bermudas and muu-

muus. Leis and straw hats will be sold to put carnival goers in a holiday mood.

This year's carnival calls for many innovations which include the possibility of a calypso group. This group would provide some native numbers.

Water will be in evidence both at the oasis wishing well

and at the Chi Rho dunking stool.

'Surfside Inn' will be serving refreshments on the stage and for those with enough determination, it will be possible to win refreshments in the form of a cake. About fifty cakes will be given away at the cake-walk.

Carnival booths will again feature some old favorites such as the "wreck a car" stand, the cider and crackers stand and the cherry tree. KWAR is sponsoring the cherry tree with records for prizes.

New ideas this year include a make-up station by the Wartburg Players and a Limbo contest with the final winners being awarded a dinner at Carver's Restaurant.

This year's auction will be held every 15 minutes rather than at the end of the evening. Waverly merchants have contributed merchandise and certificates for merchandise which range from record albums to haircuts and car washes.

Auction items will be on display in the case in Luther Hall directly across from the treasurer's office during the early part of next week.

Carnival-goers will be kept informed about events over a megaphone in the hands of sophomore Dale Fridley. A sheet will also be handed out telling where and what everything is.

The evening will conclude with Wartburg Hall's "Aqua Marine." The dance will begin about 9:45 p.m. and music will be furnished with records.

Carnival queen and king will be crowned during the dance. Cost for the dance, which will last until 11:30 p.m., will be 35 cents for singles and 50 cents for couples. The dance will be open only to Wartburg students and their dates, according to Terry Havel and Bob Braun, co-chairmen.

vice versa and to keep the student body informed of its activities along with working to achieve their wishes," said Dick.

As SBP, Buchsteiner's duties were many. His main ones involved being in charge of the Senate meetings, having numerous discussions with administrative members, serving on several committees and keeping the student body informed of what student government was doing.

In between times he works at being a student in the true sense of the word. In speaking of turning things over to Meyer, he commented that it will be good to spend a lot of time studying.

"I'M REAL ANXIOUS to see if the inside of the library is the same as it was last year," Dick said.

One of the highlights of his term of office was attending the National Student Body Presidents Conference at Ohio State University last summer.

Here Dick met with presidents from all over the nation and found it interesting to discuss and share campus problems.

AFTER GRADUATION Buchsteiner plans to attend Wartburg Seminary at Dubuque and hopes to get into the institutional phase of the ministry.

"As a parting comment," said Dick, "if I had it to do over again, I certainly would."

EDITORIAL

Course Evaluation?

Another step in the right direction?

When the Student-Faculty Council was renovated this year after being inactive for two years, it was a step in the right direction.

Communication between faculty and students is a necessity for the survival and functioning of any college. Without free channels for opinion the two become separate bodies — not understanding the other.

Recently this Council made a recommendation which will go to the Educational Policies Committee on Monday, and if it passes there it will be put to the faculty.

This recommendation concerns a course evaluation for each course given during the current semester, with the possibility of this being continued each semester or at least when different courses or teachers teach a subject.

Presently the evaluation is given to the new instructors at Wartburg for the first time.

Under this new course evaluation plan all faculty members who were not covered by the new instructor evaluation would be given evaluation forms.

Courses would be evaluated in the classroom and then returned to the Dean of Faculty's office for storage. The results would only be made available to the particular instructor after his grades are in for the semester.

The main reason for the students' requesting such an evaluation is the hope that faculty members would benefit from it.

Sometimes an instructor has taught a course the same way for so long he is unaware that the students are discontent with that method and would find greater satisfaction if another method were employed.

While the students' job is not to teach the instructor how to conduct his class, it is important that the instructor recognize the student in his academic pursuit.

It is the student who must benefit from the classroom situation and if he has any suggestions for the betterment of that situation it seems feasible that he should be able to express them.

Verbal evaluation between student and instructor would be ideal, but relations are often such that this method rarely comes into use. A written evaluation is often the only answer for a true picture of the situation.

Whether the Educational Policies Committee and the faculty accept the recommendation will be decided within the next few weeks.

Another step in the right direction?

A look at this year's Academy Awards shows the camel ahead of the horse in popularity. We're wondering if "Lawrence of Arabia" could be called a camel opera.

We're told that the Easter Bunny slighted several Wartburg fellows because he thought they already had their egg when he looked at the top of their new hairdos.

Great curiosity has arisen about the rumor that "mau-mau's" may be seen at the Spring Carnival.

"Once Upon a Mattress" isn't the bedtime story one would be led to expect. It isn't even the usual fairy tale.

The girls have their beehives, but the Wartburg fellows have them all beat. Who ever heard of the Pike's-Peak-surrounded-by-bushes hairdo?

Do our famous green and purple pills work for spring fever?

Springtime — the time when you wish you had those class cuts that you had taken during the cold winter months.

In the spring a young lady's fancy turns . . . and turns and turns.

SHERER NONSENSE

Egg Rolling Approaches; First Family Practices

By Mike Sherer

'Twas the day before Easter
And out on the lawn
TV cameras shuddered,
Rehearsals were on . . .

"Ok, now, Mr. President, you'll be the first to come out on the porch . . . can you hear me, Mr. President? . . . What's that? My microphone? Oh yes, we'll have to . . . Mrs. Kennedy, will you lift John Jr. away from the plug in there, Mrs. Kennedy? . . .

"What's that, Mrs. Kennedy? You say you can't hear me? You say it's my microphone? . . . yah, well, uh . . .

Sherer

★ "That's right, Mr. President, out here on the porch . . . Mr. President? . . . are you coming out, Mr. President, sir? . . . yes, on the porch — no, not the Pennsylvania Avenue side—we're on the south lawn, sir . . . that's right, the other door . . .

"Now, Mrs. Kennedy, if you'll just follow your husband out here, and then the children . . . Mrs. Kennedy? Is that you, Mrs. Kennedy? Uh, maybe if you'd take off the hat while we're on camera, Mrs. Kennedy . . . oh no, no, it's lovely, lovely . . .

"Now if you would stand by this pillar, Mr. President, and Mrs. Kennedy right by your husband . . . uh, Mr. President, would you come out from behind the pillar? . . . that's right; you see, we can't get these cameras up on the porch . . . that's right.

"Now, if you'd just smile, both of you, and look out where the children will be rolling the Easter eggs . . .

"Uh, Mrs. Kennedy, could you have the children come out on the lawn now . . . yes, out here where the Easter eggs are . . . Mrs. Kennedy . . . Ma'am . . . they don't seem to be coming out yet, Mrs. Kennedy . . .

"Oh, there they are . . . say, uh, Mr. President, let's have the children come down off the balcony . . . yes, that's right; see, it's the cameras; we can't get them . . .

★ "Ok, John Jr., if you'll just stand here by your sister . . . that's right, with a big smile . . . Now tomorrow, children, when you start rolling the Easter eggs down the hill . . . say, uh, Caroline . . . yes . . . if you would . . . that's right, help John Jr. take the grass out of his mouth . . .

"Now, Caroline, you'll be rolling the first egg . . . that's right, and then all the guest children will take their eggs and . . . that's good . . . see if you can roll it just a little slower for the cameras . . .

"Now, John Jr., if you'll . . . John Jr. . . John Jr.! . . . No, don't tip over the tub of Easter eggs . . . don't . . . uh, er, well . . .

"Say, you fellas down there . . . can we maybe gather up some of those eggs down there? . . . no, don't bother with the cracked ones . . ."

Track Team Splits Openers

Wartburg cindermen defeated Dubuque last Saturday 69½ to 61½ in their first outdoor meet of the season and placed second in a triangular last Monday with State College of Iowa and Winona State.

SCI finished first in that meet with 95 points, Wartburg totaled 46 and Winona State had 21.

In the outdoor season opener with Dubuque, Wartburg had eight individual wins. In the running events senior Bill Riggle won both the 220 and the 440, Lowell Syverson, freshman, won the 100 yard dash, sophomore Harold Shudlick the 120 yard high hurdles and Jerald Zehr, freshman, won the 220 low hurdles.

Senior Jerald Schara and sophomore Joel Niemann tied for first place in the high jump at 6'1" and Syverson placed first in the broad jump with a 20' 8.5" jump.

Freshmen Tom Schwab and Lowell Wiele, Shudlick and Riggle won the mile relay in 3:38.3 in the Dubuque meet, but SCI won the event in last Monday's triangular in 3:34.4.

Wartburg placed first in only three events in Monday's meet. Lothar Columbus, junior, ran the mile in 4:32.3 to win that event and come within one tenth of a second of equaling the school record set 13 years ago.

Riggle in the 220 yard dash at 23.6 and Schara in the high jump at 6' 1" were the other two firsts in the meet.

Bob Wachholz, junior, tossed

Knight diamond hopes rest to a great extent upon the strong right and left arms of these four men. Pictured are sophomore Kurt Marshek, juniors Dave Langrock, Gary Medlang and Leon Carley.

the javelin 177' 1", four feet farther than the school record set last year by Kurt Thorson, but had to settle for second place behind Hank Sattari of SCI who won the event with a 190' 1¾" throw.

Under NCAA rules, records can be set by other than first place winners in the field events which means Wachholz's record will stand. He is the first to break a school record this year during a sanctioned meet.

Zehr and George McBee of SCI both went to 12 feet in the pole vault, but McBee had fewer tries to break the tie, and Zehr had to settle for second place. This time NCAA rules worked against the Knight effort. Under the old rules Zehr would have tied McBee for first place.

Several Wartburg trackmen are entered in the Cornell Relays being held today at Mt. Vernon. Columbus placed third in the relays last year in the mile run and is entered in both

the half mile and the mile runs today. Zehr, Niemann, Shudlick and senior Norm Mielke are entered in the shuttle hurdle relay.

Shudlick will lead off the sprint medley relay with a 440 followed by Riggle and sophomore Ted Johnson with two 220's and Columbus, who will anchor the event, with the 880.

Field event entries are Mike Peich, freshman, shot put; Niemann and senior Leonard Schmidt, high jump; and Zehr, pole vault.

Wartburg cindermen will host Western Kentucky next Monday in a dual meet and then travel to Pella on Friday for the Iowa Conference Relays and to Cedar Falls next Saturday for the State College of Iowa Relays.

Golf Begins With Win

Last Saturday, the golf team opened up the season by defeating Buena Vista, 11½ to 3½.

Medalist honors go to junior Milt Marshall and sophomore Leigh Pietsch, both shooting 74's over the rather short Storm Lake Country Club course.

Other shooters, all point winners, were senior Terry Witwer, junior Bruce Hein and sophomore Harry Jebson.

Due to the Easter weekend no matches have been scheduled for this weekend. Thus, the golfers have an extra week to sharpen up for their next match against Dubuque's tough team. The match is scheduled for next Saturday at the Waverly course.

Netsters Lose

The Knight tennis squad was shut out in its second meet of the year by Loras. Final score was 9-0. This defeat came on the heels of a 6-3 defeat at the hands of the Luther Norsemen.

Next action for the Knights is against State College of Iowa at Cedar Falls next Wednesday.

Results of the Loras meet: Bob Bunker (L) defeated Jerry Shinkay, 6-1, 6-0.

Joe Plamondon (L) defeated Jack Wendt, 7-5, 7-5.

Mike Juergens (L) defeated Doug Langholz, 6-2, 6-4.

Dick Furman (L) defeated Dennis Brown, 6-3, 6-1.

Don Farley (L) defeated John Thalacker, 2-6, 6-4, 6-3.

Doubles: Bunker - Juergens defeated Wendt-Brown, 6-1, 6-2.

Plamondon-Furman defeated Shinkay-Langholz, 6-2, 6-1.

Farley - Petrowske defeated Thalacker-Mike Becker, 6-2, 6-1.

Oppiemen Sweep 1st Four Games

Knight diamondmen started the season with a bang by chalking up four wins in as many days.

Last Saturday Coe became the first victim of the season, losing a double header by 4-1 and 5-4 scores. Winning pitchers for the Knights were juniors Dave Langrock in the first game and Leon Carley in the second.

Wednesday afternoon against Luther it was again Langrock and Carley winning as they turned back the Luther Norsemen with 2-1 and 1-0 scores, respectively.

Carley nearly had a no hitter, losing it on a seventh inning single. The runner stole second but died there as the Knight hurler put the side out.

The same trick was almost pulled on the Knights by the Norse hurler in the first game. It was the bottom of the seventh before Ray Bye got the first Wartburg hit.

Bye then stole second, went

to third on a bad throw and came home with the tying run on a single by junior Bob Matthias.

Bye then scored the winning run in the bottom of the ninth after singling, advancing to second and then scoring on a single by sophomore Arlie Ristau.

Ristau scored the only run in the second game after leading off the fifth inning with a triple. He then came in on a wild pitch.

Luther is now 0-4 for the season.

The Oppiemen are taking a break for vacation. Their next game is not until a week from today when they travel to Dubuque to take on the Spartans. The next home game is two weeks away, against Central.

IBEA Planning Conference To Be Held Here Friday

The spring Planning Conference of the Iowa Business Education Association will be held on campus April 19-20.

Approximately fifty-four business education teachers from from Iowa high schools and colleges are expected to be present, according to Miss Gloria Alcock, IBEA president and member of the Wartburg Business Administration Department.

PRIMARY PURPOSE of the conference is to complete the Association's current agenda and to plan activities for the coming year.

A 5:30 p.m. dinner at Carver's will open the conference Friday evening.

The first general session will convene at 7 p. m. in Fuchs Lounge. Melvin Kramer, head of Wartburg's Business Department and State Chairman of the

Senate Sees Possibility Of 2 New Organizations

Two new organizations may spring up on campus within the next year or so if reports made to the Senate last Monday are carried out.

Sigma Tau Sigma, national tutor society, and Tomahawk, leadership society, may be the new organizations.

SENATORS ALSO heard that the Pops Concert fund may go down \$450 as a result of losses on the Limeliter's concert March 14.

Senior Jerry Staehling reported on the Academic Life Committee's study of Sigma Tau Sigma. An honorary tutor's society, the organization would be composed of students who had an average of 3.2 or above in a particular field.

These students would be available to tutor other students who are having trouble in a particular field. Already well established on other campuses,

New Presidents Elected

New class presidents to serve during the 1963-64 school year were elected this past week.

Serving the senior class will be Phil Truckenbrod; the junior class will be headed by Dave Hutson and the sophomore class by Bill Hamm.

Other action in the field of elections this past week was the nomination of senators for the next year.

NOMINATED TO represent the senior class were Joe Rodrigues, Roger Hrubetz, Terry Havel, Evan Bartelt, Linda Schalkhauser, Darrell Blobaum, Orv McElfresh, Donna Ostendorf, Oscar Lenning, Dan Knobloch, Margaret Judt and Jackie Lohr.

Nominated for the junior class were Roger Sherman, Gary Baumann, Sandra Stiehm, Robert Braun, Mike Becker, Gwen Parlin, Harold Shudlick, Doug Langholz, Richard Weigel and Kathy Lewellan.

Sophomores nominated were Mike Peich, Linda Stull, Chuck Ciorba, Kathy Piotter, Maurice Shimek, William Weiblen, Robert Fetheroff, Carol Wesels, David Zellmer, John Rappath, Elizabeth Bomhoff, Margaret Freeland, Harold Blobaum, Alan Schultz and Richard Tietjen.

A PRIMARY ELECTION to cut the number of nominations to six persons per class will be held on Tuesday. The final ballot with six names, for

FOR SALE: KARMON-GHIA Volkswagen '59. Like-new condition. Up to 40 miles to gallon—low miles. Best offer. Fred Thompson, 352-2091 or Admissions office.

IBEA Public Relations Committee, will be in charge of this meeting.

THE IBEA Executive Board will also convene at 7 p.m. with Miss Alcock presiding.

On Saturday morning registration will be open from 9 to 9:30 a.m. The Saturday sessions, beginning at 9:30 a.m., will be held in the Centennial Hall Lounge.

NUMEROUS TOPICS to be acted upon at the sessions have been listed on the agenda. They include revision of the Association's constitution, plans for the state convention and a state project for IBEA.

Also included are the setting up of a program to get a state supervisor in the field of business education, separating the state meeting from that of ISEA, a possible merging of IBEA and the Iowa Vocational Association and hiring an executive secretary.

Sigma Tau Sigma was enthusiastically received by senators, who suggested that the committee take concrete steps to establish the organization here.

SOPHOMORE DAVE Hutson, who traveled to Bloomington, Ind., last weekend for a Tomahawk convention, reported on that organization.

A meeting with the head of the Tomahawk organization at Iowa State will be held here Monday night to further explore the possibilities of establishing a chapter here. Further details on the organization can be found elsewhere in this issue of the Trumpet.

Student Body President Dick Buchsteiner reported that approximately \$350 had been lost on the last Pops Concert with several bills still out which might make the total loss around \$450. This would drop the Pops Concert fund from around \$1,500 to around \$1,050.

which you will vote for three, will be held on Thursday in the Student Union from 8 a.m. to 4 p.m.

Opening April 19 will be the nominations for Homecoming Chairman or Co-Chairmen. These nominations will close on the 24th with the election on the 26th.

Officers Elected

Chi Rho has elected its officers for the 1963-64 school year.

Duane Kamrath, junior from Cosmos, Minn., is president. Vice-president is sophomore Dennis Heaney; secretary is David Andreae, sophomore; and Barry O'Brien, sophomore, was elected treasurer.

Members at large are freshman Conrad Muehling, sophomore Alfred Kruse and junior Verle Reinicke.

Chi Rho advisors are the Rev. Raymond Harms, Christianity Department, and Dr. Walter Tillmanns, Modern Languages Department.

TO KEEP YOUR CAR ON THE GO, STOP AT PETERS VICKERS STATION

Juniors Pick Paris Theme

"Evening in Paris" has been chosen as the theme for this year's Prom to be held in Knights Gymnasium on May 4.

Providing music for the event will be the semi-name band of Bob White from Minnesota.

Tentative decorations for "Un Soir de Paris" include an Eiffel Tower and sidewalk cafes with dancing in the streets from 9 to 12 p.m.

Prom co-chairmen are Ron Burrichter and Carol Johnson. Alene Aulich and Dick Braun will serve as co-chairmen of the banquet.

Tickets for the dance will be less than \$3.50, last year's price.

Junior-Senior Banquet, to be held in St. Paul's Parish House, will follow the same decoration motif. Juniors may purchase tickets for \$1.50.

Seniors will receive an invitation which will entitle them to a complimentary ticket if they pick it up, according to Nelson Meyer, junior class president.

Two Attend 'Tomahawk' In Indiana

Marcia Rench and Dave Hutson, sophomores, attended Tomahawk General Assembly at Indiana University, Bloomington, April 6.

Tomahawk is a national, independent, honorary, student society to inspire students to take an active part in the activities to which they belong.

"Presently there is a move on campus to establish a chapter at Wartburg," stated Hutson.

More individuals would thus be encouraged to join activities and run for offices.

Present members of the Tomahawk Chapter are Iowa State University, University of Illinois, Indiana University, Monmouth College, Purdue University and State College of Iowa.

All students interested in Tomahawk are urged to attend a meeting on Monday at 7:30 p.m. in Fuchs Lounge.

Representatives from the Tomahawk Chapter at Iowa State University will be at this meeting to discuss the possibility of establishing a Tomahawk Chapter at Wartburg.

42 Seniors Secure Jobs In Numerous Locations

Job positions have been filled by 42 seniors, according to Registrar Mattie Harms.

Students who will be working in Illinois are Doreen Davidson, Elk Grove Village, elementary; Mary Dewey, East Dubuque, kindergarten; Roy Goodrich, Libertyville, sixth grade; Joan Kreiter, second grade, and Charlotte Whittmann, girls' P.E., in Aurora; and Mary Ross, Freeport, English.

JOB PLACEMENTS in Iowa are James Arjes, Clarion, P.E.; Verlette Beckman, Cedar Rapids, first grade; Joyce Brenke, New Hampton, elementary; William Burcham, Epsworth, vocal music; and Patricia Johansen, Monticello, seventh grade math.

Also included are Rita Johnson, Waterloo, girls' P.E.; Kay Knopf, Allison, vocal music; John Koch, Monticello, junior high science; Verna Hass, Monona, German and math; Karen Mueller, Cedar Rapids, fifth grade.

Teaching in Clinton will be Nancy Mosher, girls' P.E.; Dorothy Nielsen, kindergarten; and Marna Peters, elementary.

Joyce Porath will teach at St. Paul's School, Waverly, third grade; Dennis Wesenberg, instrumental music and Phyllis Remmers, vocal music, both at Battle Creek.

DIXON ZANDER WILL teach at Walnut in the field of biology; Jo Anne Schacht, Cedar Rapids, upper elementary; and Roger Broers, Twin Rivers-Bode Consolidated, Bode, seventh grade history.

Students teaching in Wisconsin are Richard Bixby, P.E.; Myrna Boyken, Linda Nelson and Carolyn Staude, elementary, all at Manitowac; Don Dietzler, Wausau, P.E.; Carol

Nitz and Judy Treloar, both teaching second grade in Greendale; and Diane Moericke, Milwaukee, sixth grade.

STUDENTS IN OTHER states are Barbara Anderson, Santa Rosa, Calif., parish worker; Carolyn Nitardy, Fridley, Minn., elementary; and Gary Moody, Cheboygan, Mich., P.E.

January graduates who are presently teaching are Marjorie Miller, Fridley, fourth grade; Larry Anderson, Lake Mills, P.E.; Valeria Redmann, Bussey, vocal music; Joan Stewart, Hampton, elementary; Beverly Weidler, St. Paul's School, Michigan City, Ind., elementary; and Jan Wegenast, Waverly, first grade.

Kildahl To Give English Lecture

Dr. P. A. Kildahl, English Department, will discuss French anti-novelism in the final English lecture to be given Wednesday at 7:30 p.m. in Luther Hall, Room 105.

According to Dr. Kildahl, anti-novelism is an "attempt in France since 1956 to abandon the traditional structural forms and to repudiate once and for all the grand Balzac tradition of character analysis."

They contend that "a person has no real nature but is just an ever changing, ever fluid, stream of sentiments and instincts common to all."

In their writing there are no characters or furnishings. Rather, the writing takes a stream of consciousness style in which there is no plot, and nothing is resolved or completed, just as in life.

Straight talk from Lutheran Brotherhood about student insurance

WHEN TO BUY INSURANCE. During college is an ideal time. Even though right now your responsibilities may be few, those responsibilities often pile on fast after graduation. If you've started an insurance program now—in anticipation of those responsibilities—you'll be better able to meet them.

TYPES OF INSURANCE. There are three basic types of insurance policies: (1) *term*, which is temporary protection; (2) *whole life*, which is lifetime protection with savings features; (3) *endowment*, which is primarily savings with protection included until the endowment matures. Various combinations of these are offered by most insurance companies.

THE COST OF INSURANCE. Don't be fooled by "bargain" insurance. You get exactly the protection and savings features you pay for—no more. Yet the earlier you take out life insurance, the lower the premium.

WHICH INSURANCE PLAN? No single plan will fit the needs of

all college students. Lutheran Brotherhood offers a variety of plans—each excellent, but each designed to do different things. One, for example, offers \$10,000 of protection for less than 50¢ a day to college age men. Another—for married students with children—offers \$2,500 of protection for each child at only \$7.50 a year up to age 18. Yet another—designed especially for college students and young family men—offers \$10,000 of protection at less than 12¢ a day during the first years, then builds into a solid protection and savings plan as your income grows.

HOW TO CHOOSE. You should have skilled counsel when you choose an insurance program. Your Lutheran Brotherhood representative offers that service. Whether you plan to buy insurance now—or simply would like a more detailed explanation about the role of insurance during your college days and in your future—drop him a note or give him a call. He'll be glad to give you all the information you want.
